## CALL FOR PAPER

### Topics

- / Active vibration control
- / Advanced instrumentation and control
- / Advanced Motion Control
- / Agile Manufacturing
- / Autonomous systems
- / Bionic robotics, autonomous and evolutionary robotics
- / Computer and information technology
- / Energy and sustainability
- / Humanoid robots, service robots
- / Management of Technology
- / Manufacturing mechatronics
- / Micro and Nano Mechatronics
- / Mining robotics
- / Mobile robotics
- / Robot intelligence and learning
- / Robot vision and audition
- / Robotics and Mechanical Engineering
- / Robots and Automation
- / Signal and image processing
- / Smart materials and structures
- / Sustainability, energy conservation, ecology
- / Transportation systems

For more topics, please visit at: <http://icmre.org/topics.html>

### Publication

The accepted and registered papers will be publication in Conference Proceedings, which will be included in Digital Xplore and indexed by Ei Compendex and Scopus. ICMRE 2015-2025 has been successfully indexed by Ei Compendex and Scopus already within 4 months after the conference.

### Submission Method

1. Online submission link: <https://easychair.org/conferences/?conf=icmre2026>

2. Email: [icmre\\_contact@academic.net](mailto:icmre_contact@academic.net)

**Submission Type:** Abstract submission for presentation only without publication; Full paper submission for both presentation and publication.  
**Paper Length:** The minimum page limit for full paper is full 4 pages including all figures, tables, and references.

When it exceeds 6 pages, each additional page (from Page 7) will be chargeable.
